\$50.00 GOLD FIRST PRIZE || \$25.00 GOLD SECOND PRIZE

For the Best Loaf of Bread Made from Globe Mills Flour

Competition Open to All Residents of Arizona, New Mexico and West Texas

If you cannot get our flour in your own town from your grocer, have him arrange to get it for you, though practically every dealer of any size in Arizona, New Mexico and West Texas now handles our goods.

Disinterested judges will make the decision.

Decision will be rendered at 11 A. M. October 21st.

This is a prize worth going after.

The prize winning loaves of bread will be placed on exhibition on October 21st in a prominent down town store window, together with names of the winners.

SEND loaves of bread to us by express. Would suggest not shipping until October 16th to 17th, which will insure bread being fresh when the judges pass on same.

El Paso will be crowded with visitors during the big Jubilee Celebration and the winner of this big prize will be known thereafter over the whole Southwest as the best bread maker in this entire section. Quite an honor, we think, and, incidentally the \$50.00 gold prize should help defray her expenses to the big Celebration.

We feel that in offering these big prizes we will help raise the standard of bread making, for which we, who are husbands and sons, should be very thankful.
